

ACBB Celebrates 40 Years of Community Banking With Collective Impact Giving Campaign

11 Charities Selected to Receive a \$2,500 Donation to Make an Impact in Their Communities

(Camp Hill, PA - December 8, 2023)

In honor of its 40th anniversary of community banking in November, Atlantic Community Bankers Bank (ACBB) recently launched a Collective Impact Giving Campaign to benefit charitable organizations in the communities it serves. Eleven charities were selected to each receive a \$2,500 donation to further their organization's mission.

Beginning in July, the Bank asked its clients and members of its online community to nominate their favorite local charities. ACBB employees reviewed the nominations and selected 11 deserving charitable organizations to get a \$2,500 donation from ACBB on behalf of the nominating financial institution.

“At ACBB, we believe in the incredible potential that lies within our communities, and we wanted to harness that potential to uplift and support those in need. Our vision for this campaign is to demonstrate the profound impact that can be achieved when we come together as a collective force, driven by a shared commitment to making a positive difference. It’s about empowering our partner financial institutions, our employees, and our communities to create lasting change.”
